## **Open Day**

**On Tuesday 25<sup>th</sup> Sept 2018; 11:00 AM onwards**

**Out Reach Programme on 4<sup>th</sup> India International Science Festival-2018(IIFS-2018)**

The "Open Day" is being organized as a precursor to the IIFS-2018 to be held during 5-8 October 2018 in Lucknow. This programme aims to instilling scientific temper in the young citizens by sensitizing the S&T innovation and showcase India's Contribution in the Weather/Climate Modelling and other Science and Technology developments.
