**OFFICE MEMORANDUM**

Sub: **Weightage of period of fellowship towards counting of experience –reg.**

The undersigned is directed to say that the competent authority has approved the following with regard to Weightage of period of fellowship towards counting of experience:-

1. In case any research activity, which has been taken under any fellowship / scholarship / research assistance, may be counted towards experience of candidate, if the complete proper proof of period of such assistance / fellowship etc. has been provided. Further, this research may lead to award of a Ph.D. degree as well. In that case, there will not be any additional weightage of 3 years experience with regard to the Ph.D. degree.
2. In case there is Ph.D. but without any scholarship / fellowship / research assistance, the same may be counted as 3 years research experience irrespective of the total time taken for the doctoral degree.
3. In other words, any employment, may be in terms of fellowship / scholarship / research assistance, would be counted as research experience. It is further added that there should not be any double counting on of employment / research experience and getting a Ph.D. degree in the same time frame.
