

## NCMRWF Open Day – 27 November 2021 Outreach Programme on 7th India International Science Festival 2021 (IISF-2021)

National Centre for Medium Range Weather Forecasting (NCMRWF), Noida is a centre of excellence in weather and climate modelling under the Ministry of Earth Sciences, Government of India. NCMRWF is organizing a **“Open Day – Outreach Programme”** on **27<sup>th</sup> November 2021, 11:00 AM – 4:00 PM** as a precursor to the IISF-2021 to be held during 10-13 December 2021 in Panaji, Goa, co-ordinated by NCPOR, MoES.

The aim of this “NCMRWF Open-Day” is to provide a platform for the students, teachers and other visitors to exchange their knowledge and ideas to foster scientific and technological innovations in the field of atmospheric science, especially satellite observation, weather and climate modelling and high-performance computing. In this event, research/operational activities and facilities of NCMRWF will be showcased through lecture, interaction with scientists, documentary films, poster exhibitions and visit to NCMRWF Super Computing Facility.

Students and visitors are invited to visit NCMRWF on the “NCMRWF Open-Day” and interact with the scientists and participate in the above mentioned activities.
