3.17.2. Termination by Service Provider

Service Provider reserves the right to suspend any of the Services and/or terminate the agreement at any time within 90 days notice in the following case:

• If the payment to the Service Provider is due for more than 2 (two) consecutive quarterly cycle.

3.17.3. Termination for Default:

- NCMRWF may without prejudice to any other remedy for breach of contract, (including forfeiture of Performance Security) by written notice of default sent to the Service Provider, terminate the Contract in whole or in part after sending a notice to the Service Provider in this regard.
 - a) If the **Service Provider** fails to deliver any or all of the services within the time period(s) specified in the Contract, or any extension thereof granted by NCMRWF, or
 - b) If Service Provider fails to perform any other obligation under the Contract.

3.17.4. Conditions for Termination

- 1. Upon occurrence of an event of default as set out in above mentioned Section 3.17.3, either Party will deliver a Default notice in writing to the other party which shall specify the event of default, and give the other party an opportunity to correct the default.
- 2. At the expiry of notice period specified in Section 3.17.1 unless the Party receiving the Default notice remedied the default, the party giving the Default notice may terminate the Agreement.

3.18. Force Majeure

Force Majeure shall mean any event or circumstances or combination of events or circumstances that materially and adversely affects, prevents or delays any Party in

performance of its obligation in accordance with the terms of the Agreement, but only if and to the extent that such events and circumstances are not within the affected party's reasonable control, directly or indirectly, and effects of which could not have prevented through Good Industry Practice or, in the case if construction activities through reasonable skill and care, including through the expenditure of reasonable sums of money. Any events or circumstances meeting the description of the Force Majeure which have same effect upon the performance of any contractor shall constitute Force Majeure with respect to the Bidder. The Parties shall ensure compliance of the terms of the Agreement unless affected by the Force Majeure Events. The Bidder shall be relieved from forfeiture of its implementation guarantee, Performance Guarantee, levy of Penalties, or termination for default if and to the extent that it's delay in performance or other failure to perform its obligations under the Agreement is the result of Force Majeure.

3.18.1. Force Majeure Events

The Force Majeure circumstances and events shall include the following events to the extent that such events or their consequences (it being understood that if a causing event is within the reasonable control of the affected party, the direct consequences shall also be deemed to be within such party's reasonable control) satisfy the definition as per Section 3.18 above.

Without imitation to the generality of the foregoing, Force Majeure Event shall include following events and circumstances and their effects to the extent that they, or their effects, satisfy the following requirements:

3.18.1.1. Natural Events

- i. "Natural Events" to the extent they satisfy the foregoing requirements including: any material effect on the natural elements, including lightning, fire, earthquake, cyclone, flood, storm, tornado, or typhoon;
- ii. Explosion or chemical contamination (other than resulting from an act of war);
- iii. Epidemic such as plague;

Any event or circumstance of a nature analogous to any of the foregoing.

3.18.1.2. Other Events

"Political Events" to the extent that they satisfy the foregoing requirements including:

- a. Political Events, which occur inside the State where the service is being implemented or involve directly the State Government and the Central Government ("Direct Political Event"), including:
 - i. Act of war (whether declared or undeclared), invasion, armed conflict or act of foreign enemy, blockade, embargo, revolution, riot, insurrection, civil commotion, act of terrorism or sabotage;
 - ii. Strikes, work to rules, go-slows which are either widespread, nation- wide, or state-wide and are of political nature;
 - iii. Any event or circumstance of a nature analogous to any of the foregoing.

- b. Political Events which occur outside the State where the service is being implemented and the Republic of India do not involve the State Government and/or the Central Government ("Foreign Political Events" or "Indirect Political Events") including, but not limited to:
 - Act of war (whether declared or un-declared), invasion, armed conflict or act of foreign enemy, blockade, embargo, revolution, riot, insurrection, civil commotion, or act of terrorism;

Strikes, work to rule, go-slows ii.

Any event or circumstance of a nature analogous to any of the iii. foregoing.

3.18.2. Force Majeure Exclusions

Force Majeure shall not include the following event(s) and/or circumstances, except to the extent that they are consequences of an event of Force Majeure:

a) Unavailability, late delivery, or changes in cost of the NCMRWF machinery, equipment, materials, spare parts

b) Delay in the performance of any contractor, sub-contractors or their agents;

c) Non-performance resulting from normal wear and tear of the materials and equipment; and

d) Non-performance caused by, or connected with, the Affected Party's:

Negligent or intentional acts, errors or omissions; and/or

Failure to comply with an Indian law or Indian Directive; and/or ii.

Breach of, or default under the Agreement iii.

3.18.3. Procedure for Calling Force Majeure

a) The Affected Party shall notify to the other Party in writing of the occurrence of the Force Majeure as soon as reasonably practicable, and in any event within 5 (five) days after the Affected Party came to know or ought reasonably to have known, of its occurrence and that the Force Majeure would be likely to have a material impact on the performance of its obligations under the Agreement.

b) Any notice pursuant to Section 3.18.1 shall include full particulars of:

The nature of each Force Majeure Event which is the subject of any claim for relief under the Agreement;

The effect which such Force Majeure Event is having or is likely to have 11. on the Affected Party's performance of its obligations under the Agreement;

The measures which the Affected Party is taking, or proposes to take, to iii. alleviate the impact of the Force Majeure Event and restore the performance of its obligations under the Agreement which are affected; and

Any other information relevant to the Affected Party's claim.

3.18.4. Procedure for Claiming Relief

Where an Affected Party claims relief on account of Force Majeure Event then, the rights and obligations of both Parties under the Agreement

20

shall be suspended to the extent that they are affected by such Force Majeure Events.

- ii. In an Event of Force Majeure:
 - a) The Affected Party shall use its best efforts to minimise the effects of Force Majeure and remedy any inability to perform due to Force Majeure;
 - b) The Affected Party shall provide weekly written reports to the other Party regarding its progress in overcoming the adverse effects of the Force Majeure event;
 - c) the Affected Party shall, as soon as reasonably practicable after claiming such relief, provide the other Party with written notice containing such information as may be reasonably required to justify the claim for relief due to Force Majeure;
 - d) the Affected Party shall claim in respect of physical loss or damage resulting from the event constituting Force Majeure which are available from Insurances pursuant to any Insurance maintained by the Affected Party and ensure such claims are made as soon as is reasonably possible and that the proceeds of any such Insurance claims are applied to remedy the effects of the event constituting Force Majeure as soon as is reasonably possible; and
- e) The Affected Party shall, at its own cost, take all steps reasonably required to restore its ability to perform its obligations under the Agreement as soon as possible, including the re-commissioning of any affected part of the NCMRWF.
- iii. When the Affected Party is able to resume performance of its obligations under the Agreement, it shall promptly give the other Party written notice to that effect. In no event shall the suspension of performance be of greater scope and of longer duration than is necessitated by Force Majeure.

3.18.5. Extensions due to Force Majeure

Neither Party shall be responsible or liable for, or deemed to be in breach of the Agreement because of any failure or delay in complying with its obligations under the Agreement, due solely to one or more events of Force Majeure, and the periods allowed for the performance by the Parties of such obligation(s) shall be extended on a day-for-day basis from the date of the event of Force Majeure provided that no relief shall be granted to the Affected Party to the extent that such failure or delay would have nevertheless been experienced by that Party had such Force Majeure event not occurred.

3.18.6. Termination as a result of Exceptional Event

Notwithstanding anything contained herein, in case the period of Force Majeure lasts for more than 3 (three) months from the occurrence of the event of force majeure, whether such force majeure event occurs before or after commissioning of the Project, either party shall have the right to terminate the Agreement by a written notice of 15 (fifteen) days to the other party.

The Bidder shall give notice to the NCMRWF of:

K

a) the cessation of the event or circumstance of Force Majeure being claimed; and

300

b) the cessation of the effects of the event or circumstance of Force Majeure being claimed on the enjoyment by such Party of its rights or the performance of its obligations pursuant to the Agreement, as soon as possible after becoming aware thereof.

4. Introduction about NCMRWF

4.1. Preamble

The National Centre for Medium Range Weather Forecasting (NCMRWF) is located at A-50, Sector-62, NOIDA, near New Delhi. NCMRWF is a lead centre in India for weather and climate modelling related research and operations. NCMRWF provides information on impending weather up to ten days in advance for various R & D and real time applications of strategic sectors. At NCMRWF global data assimilation and modelling are being carried out for generating real-time medium-range weather forecasts. International standard research on different aspects of data assimilation, global/regional modelling, extended-range/seasonal prediction, ocean modelling, climate variability studies are carried out at NCMRWF.

5. Local Area Network (LAN)for NCMRWF

5.1. Need of LAN

NCMRWF, a subordinate office of Ministry of Earth Science (MoES), Government of India invites bids from reputed IT companies for Maintenance of Local Area Network at its supercomputing Facility at A-50, Sector -62 Noida, UP. The work at NCMRWF include the LAN Hardware support to users in its 24x7 operational environment that demands very strict adherence to time schedule and high availability of computing resources. All Network Equipment's are directly/ indirectly connected to the High Performance Computing system. The LAN infrastructure including the Software/OS configuration of servers which are connected to desktops, servers, laptops and associated peripherals are also under the scope of this tender.

5.2. Objective of LAN

In order to provide efficient and timely dissemination of the medium range weather forecast services to various State and Central Government departments and offices across nation, NCMRWF wishes to outsource the Local Area Network of NCMRWF through successful bidders (through this RFP). These successful bidders (also referred as Service Provider in this document) will be providing Quality and Timely services on 8am to 8pm basis.

5.3. Time Lines and Duration

The Service Provider will be providing Local Area Network Maintenance Services for NCMRWF initially for a period of one year, and extendable to further one year on discretion of NCMRWF with mutual consent with same Terms and financial condition.

M

During this contract period the number of LAN hardware items in the comprehensive AMC may change. (Increase in case of procurement of new equipment for enhanced performance in lieu of any equipment under the BoQ in this document). The AMC value will proportionately decrease in case of any hardware equipment in the present BoQ is taken out of service.

6. Scope of Work

The contract to successful bidder will be awarded for a period of one year based on performance/requirement based periodic reviews. Initially the contract shall be awarded for one year. If services are found unsatisfactory during review at any stage, the contract shall be liable to be cancelled after a written notice of one month. The bidder should have human resource on their rolls with the qualifications as mentioned in Tables at Para-9.1.1. Bidders are advised to take into account all aspects before submitting the bids. The bidder should ensure that all calls are attended immediately during prime time (9:00 a.m. to 5:30 p.m.) and within 2 hour beyond prime time on working days and on holidays as per the minimum human resource requirement mentioned in Tables at Para-9.1.1. The uptime requirements are stringent. The service provider should quote contract value for an uptime of 99% for Comprehensive Maintenance of all LAN Hardware at Annexure 4.

The parties hereto hereby agree to enter into this integrity Pct and agree	as follows:-

Commitments of the BUYER

The BUYER confirms that no officials of the BUYER, connected directly or indirectly with the contract, will intentionally demand, take a promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favor or any material or immaterial benefit or any other advantage from the BIDDER, either for themselves or for any person, organization or third party related to the contract in exchange for an advantage in the implementation process related to the contract.

The BUYER will, during the pre-contract stage, treat all Bidders alike, and will provide to all Bidders the same information and will provide to any such information and will not provide any such information to any particular BIDDER which could afford an advantage to that particular BIDDER in comparison to other Bidders. All the officials of the BUYER will report to the appropriate Government office any aftempted or completed breaches of the above commitments as well as any substantial suspicion of such as breach.

In case any such preceding misconduct on the part of such official(s) is reported by the BIDDER to the BUYER with full and verifiable facts and the same is prima facie found to be correct by the BUYER, necessary disciplinary proceedings, or any other action as deemed fit, including criminal proceedings, may be initiated by the BIDDER and such a person shall be debarred from further dealings related to the contact process. In such a case while an enquiry is being conducted by the BUYER the proceedings under the contract would not be stalled.

Commitments of Bidders

- The BIDDER confirms that it shall take all reasonable measures necessary to prevent corrupt practices, unfair means and illegal activity during post- contract stage, by itself or its employees, in order to secure the contract or in furtherance to secure it and in particular commit itself to the followings:-
- The BIDDER will not intentionally offer, directly or through intermediaries, any bribe, gift, consideration, reward, favor, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the BUYER, connected directly with the bidding process, or to any person, organization or third party directly related to the contract in exchange for any advantages in the contracting and implementation of the contract.

- The BIDDER further confirms that it has not intentionally given directly or indirectly any bride, gift, consideration, reward, favor, any material or immaterial or other advantage, commission, fees, brokerage or inducement to any official of the BUYER in procuring the Contract or forbearing to do or having done any act in relation to the obtaining or execution of the contract, for showing or forbearing to show favor or disfavor to any person in relation to this contract.
- 3.3 The BIDDER, further confirms and declares to the BUYER that the BIDDER is the original manufacturer/ integrator/authorized government sponsored export entity of the defense stores and has not engaged any individual or firm or company whether Indian or foreign to intercede, facilitate or in any way to recommend to the BUYER or any of its functionaries, whether officially or unofficially of the award of the contract to the BIDDER, nor has any amount been paid, promised or intended to be paid any such individual, firm or company in respect of any such intercession, facilitation or recommendation.
- The BIDDER, either while presenting the bid or during per-contract negotiations or before signing the contract, shall disclose any payments he has made, is committed to or intends to make to officials of the
- The BIDDER will not collude with other parties interested in the contract to impair transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract, in contravention of the Competition Act, 2002.
- The BIDDER will not intentionally accept any advantage in exchange for any corrupt practice, unfair means and illegal activities, as per with the applicable laws.
- The BIDDER shall not use improperly, for purposes of competition or personal gain, or pass on to others and 3.7 other than for purposes of the contract, any information provided by the BUYER as part of the business relationship, regarding plans, technical proposals and business details, including information contained in any electronic data carrier. The BIDDER also confirms to exercise reasonable care lest any such information is divulged.
- The BIDDER shall endeavor to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable facts.
- The BIDDER shall not intentionally instigate or cause to intentionally instigate any third person to commit any 3.9 of the actions mentioned above.
- The term 'relative' for this purpose would be as defined in Section 6of the Companies Act 1956. 3.10
- The BIDDER shall not lend to or borrow any money from or either into any monetary dealing or transactions, directly, with any employee of the BUYER, directly connected with the contract, if aware that such person is an employee of the BUYER.
- If the BIDDER or any employee of the BIDDER or any person acting on behalf of the BIDDER, either directly or indirectly, is a relative of any of the officers of the BUYER, or alternatively, if any relative of an officer of the BUYER has financial interest/stake in the BIDDER's firm the same shall be disclosed by the BIDDER at the time of filling to tender.

The term 'relative' for this purpose would be defended in Section 6 of the Companies Act 1956.

Previous Transgression

- The Bidder declares that, to the best of its knowledge, no previous transgression occurred in the last three years immediately before signing of this Integrity Pact, in respect of any corrupt practices envisaged hereunder with any Public Sector Enterprises in India or any other Government Department in India that could justify BIDDER's exclusion from the tender process.
- The BIDDER agrees that if it intentionally makes incorrect statement on this subject, the contract, if already awarded, can be terminated for such reason, provided that such reason, provided that such previous transgression has been resulted in a conviction.

Instructions for Online Bid Submission

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: https://eprocure.gov.in/eprocure/app.

REGISTRATION

- 1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: https://eprocure.gov.in/eprocure/app) by clicking on the link "Online bidder Enrollment" on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / email in case there is any corrigendum issued to the tender document.
- A STATE OF THE STA
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk. PREPARATION OF BIDS
- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG

- formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as "offline" to pay the tender fee / EMD as applicable and enter details of the instrument.
- 4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- 5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
- 6) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 7) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8) Upon the successful and timely submission of bids (ie after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 9) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.
